LB 391A

PRESIDENT: Okay, is there any further discussion? Senator Vard Johnson.

SENATOR V. JOHNSON: Mr. President, members of the body, I have a question of Senator Wesely. Can you explain why 391 requires a general fund appropriation to implement?

SENATOR WESELY: It doesn't, Senator Johnson. This is a cash fund. It is \$1,600.

SENATOR V. JOHNSON: It's what?

SENATOR WESELY: It's cash fund. Insurance Department is always handled by cash funds. There is no general fund money at all.

SENATOR V. JOHNSON: Okay, so this is simply a cash fund...

SENATOR WESELY: And it is \$1,600 for, I don't know, maybe drafting some rules and regs, so it is very nothing. Silly to have the bill, but we have it.

SENATOR V. JOHNSON: All right, I understand.

PRESIDENT: Is there further discussion on the bill? If not, the motion is to advance the bill from General File. All those in favor vote aye, opposed vote nay. Have you all voted? Record the vote, Mr. Clerk.

CLERK: 31 ayes, 0 nays on the motion to advance 391A, Mr. President.

PRESIDENT: LB 391A is advanced. May I have your attention. Senator Remmers asked the Chair to announce that he has guests this morning under the south balcony. Dr. and Mrs. Darrell Winninger of Peru. Mrs. Winninger is one of the State Merit Mothers to be honored today. The Winninger's are the parents of Senator Remmers Legislative Aide, Dwight. We welcome you to the Legislature this morning. Would you stand and be recognized. Mr. Sergeant-at-Arms, are the mothers out there ready to go? Senator Wesely has a guest this morning in the Chamber, Sara Donovan. We welcome her to the Legislature this morning on behalf of the Senator. The Legislature will stand at ease until we prepare for the Mothers Day Ceremony.
